DAY OF SURGERY

Preparing for your pet's procedure is an important step in ensuring a safe and smooth experience.

LOCATION

The procedure will take place at:
Croswell Veterinary Services
120 North Howard
Croswell, MI 48422

Unless otherwise discussed

Please note: AT&T and Verizon service works well in this area. Other carriers may have limited service—please plan accordingly.

ARRIVAL

- Please arrive on time for your scheduled appointment
- Our team will review your pet's information and prepare for the procedure

FASTING REQUIREMENTS

- Your pet must have no food for a minimum of 6 hours prior to surgery
- Water may be given in moderation

A full stomach increases the risk of complications with anesthesia.

WHAT TO BRING

- A blanket for your puppy for the ride home
- A bath towel in case of drooling or nausea after anesthesia or travel

PROCEDURE

- The procedure typically takes 45 minutes to 1 hour
- Your puppy will be ready to go home shortly after recovery from anesthesia

PAYMENT

- Payment is cash, unless discussed otherwise
- Payment is due at the time of service

AFTERCARE

- Detailed aftercare and bandaging instructions will be provided in a separate document

IMPORTANT REMINDERS

- Plan for limited phone service depending on your carrier
- Ensure transportation is prepared ahead of time
- Follow all instructions carefully for the safest outcome
