

Document 2

So you have a crop surgery appointment, what are you needing to know?

Please call or email with any questions or concerns regarding this information.

Day of the surgery:

The location of the surgery is at

Croswell Veterinary Services
12 north Howard
Croswell, Mi 48422

unless discussed otherwise.

Phone services of ATT and Verizon work well in this area, other services may not. Please prepare accordingly.

Please arrive on time.

-The pet must be fasted (no food) for a minimum of 6 hours prior to the ear cropping procedure. Water is ok to give in moderation.

-Please bring a blanket for the puppy to lay in for the ride home, and a bath towel in case of drooling from excessive nausea following traveling and/or anesthesia.

-The procedure takes roughly 45 mins to an hour and the puppy will be ready to take home shortly after recovering from anesthesia.

-Payment is cash, unless discussed otherwise, and is rendered at the time of the service.

-Aftercare and bandaging following the procedure will be discussed in another document.
